When a stock hits a fresh low, it can either signal [a dirt cheap dream stock](#) or a [dreadful stock to avoid](#). Separating the wheat from the chaff is difficult, but finding well-run companies at bargain-basement prices is a great way to accumulate a fortune over the long run.

With that in mind, we'll use the aggregate intelligence of the 110,000-plus investors participating in [Motley Fool CAPS](#) to see what the community is saying about stocks hitting 52-week lows yesterday. The community's approval (signified by four- and [five-star ratings](#)) could indicate that further research is in order.

Here are three such stocks:

Company	Yesterday's Low	Industry	CAPS Rating (out of 5)	Fools Saying Outperform
Aracruz Celulose S.A. (ADR) (NYSE: ARA)	\$56.19	Paper & Paper Products	★★★★★	228 of 240
