PROXY STATEMENT
FOR
SPECIAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

We are providing these proxy materials to you in connection with the solicitation of proxies for the Special Meeting of our stockholders to be held at 11:00 a.m. Eastern Standard Time on December 21, 2009, and any adjournment or postponement of the Special Meeting. In this proxy statement, we refer to Ebix, Inc., as “Ebix,” the “Company,” “we,” or “us.”

We intend to mail this proxy statement and accompanying proxy card to our stockholders starting on or about November 20, 2009.

VOTING INFORMATION

Record Date

Only stockholders of record as of the close of business on October 26, 2009, which is the record date for the Special Meeting, are permitted to vote their shares on the proposal being submitted for consideration at the Special Meeting. As of October 26, 2009, we had 11,471,408 shares of common stock outstanding. Each share of common stock is entitled to one vote on each matter properly brought before the meeting.

Voting and Revocation of Proxies

Your Vote Is Important.

We encourage you to vote promptly. Internet and telephone voting is available through 5:00 p.m. Eastern time on December 17, 2009, for all shares held of record. You may vote in one of the following ways:

By Internet:

You can vote your shares by Internet. The proxy card indicates the website and control number you need to access Internet voting. You may vote by Internet 24 hours a day. The website has easy to follow instructions and you will be able to confirm that the system has properly recorded your votes. If you are an owner in street name, please follow the Internet voting instructions that accompany the notice from your broker.

By Telephone:

If you are located in the U.S., you can vote your shares by calling the toll-free number 1-866-390-5268 or other number provided in the instructions from your broker. As with Internet voting, holders of record may vote by telephone 24 hours a day. The telephone voting system also has easy-to-follow instructions and, as with Internet voting, allows you to confirm that the system has properly recorded your votes.

By Mail:

You can vote by marking, dating, signing the proxy card and returning it by mail in the enclosed postage-paid envelope. Although we have no intention to currently do so, we may also elect, depending on the circumstances, to send you a physical printed proxy card or elect to have the holder of record send you physical printed voting instructions. If you hold your shares in street name and you have requested physical delivery of printed materials by mail from your broker, please complete and mail the voting instruction card.

At The Special Meeting:

The way you vote your shares now will not limit your right to change your vote at the Special Meeting if you attend in person. If you hold your shares in street name, you must obtain a physical proxy, executed in your favor, from the holder of record if you wish to vote these shares at the meeting.

All shares that have been properly voted and not revoked will be voted at the meeting. If you fail to completely vote during Internet or telephone voting or if you sign and return a proxy card without any voting instructions, your shares will be voted as the board of directors recommends.

Revocation Of Proxies:

You can revoke your proxy at any time before your shares are voted if you: (1) send a written notice to our Secretary indicating that you want to revoke your proxy; or (2) deliver to our Secretary a duly executed proxy (or voting instructions if you hold your shares in street name) bearing a later date, which revokes all previous proxies; or (3) attend the meeting in person, give written notice of revocation to the secretary of the meeting prior to the voting of your proxy and vote your shares in person, although your attendance at the meeting will not by itself revoke your proxy.

Quorum and Required Vote:

We will have a quorum and will be able to conduct the business of the Special Meeting if the holders of a majority of the votes that shareholders are entitled to cast are present at the meeting, either in person or by proxy.

Vote Required for Proposals:

The amendment to the Company's Certificate of Incorporation to increase the Company's number of authorized shares of common stock from 20,000,000 to 60,000,000 requires a majority of the shares of common stock that are present in person or represented by proxy.

Routine And Non-Routine Proposals:

NASDAQ rules determine if a proposal presented at a meeting of stockholders is routine or not routine.

If a proposal is routine, a broker or other entity holding shares for an owner in street name may vote for the proposal without voting instructions from the owner.

If a proposal is not routine, the broker or other entity may vote on the proposal only if the owner has provided voting instructions. A broker non-vote occurs when the broker or other entity is unable to vote on a proposal because the proposal is not routine and the owner does not provide any instructions.

Under NASDAQ rules, the amendment of a Company's Certificate of incorporation to increase the number of authorized shares is not a routine item.

How We Count Votes:

In determining whether we have a quorum, we count abstentions and broker non-votes as present and entitled to vote.

In counting votes on the proposals:

- In tabulating whether the proposal to amend the Company's Certificate of Incorporation has received majority of votes of the Company's outstanding shares, it should be noted that abstentions are counted in tabulations of the votes cast and thus have the same effect as a vote against a proposal, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

Voting Shares

All shares represented by properly executed proxies received by the Board of Directors pursuant to this solicitation will be voted in accordance with the holder's directions specified on the proxy. If no directions have been specified by marking the appropriate places on the accompanying proxy card, the shares will be voted in accordance with the Board's recommendation which is:

FOR the amendment of the Company's Certificate of Incorporation to increase the Company's number of authorized shares from 20,000,000 to 60,000,000.

PROPOSAL 1. AMENDMENT OF CERTIFICATE OF INCORPORATION

Introduction

Our Certificate of Incorporation currently authorizes the issuance of 20,000,000 shares of common stock, par value \$0.10. As of the Record Date 11,471,408 shares of common stock were outstanding.

Description of the Amendment

On October 10, 2009, our Board of Directors unanimously approved an amendment to Article IV of the Certificate of Incorporation (the "Amendment"), subject stockholder approval, to increase the number of shares of common stock authorized for issuance under the Certificate of Incorporation from 20,000,000 to a total of 60,000,000 shares. A copy of the Amendment increasing authorized common stock is attached to this Proxy Statement as Annex A. The information in this proxy statement is qualified in its entirety by the complete text of the Amendment.

If the Amendment is approved by a majority of our outstanding share of common stock, it will become effective upon its filing with the Secretary of State of the State of Delaware. The Company expects to file the Amended with the Secretary of State of the State of Delaware very shortly after its approval by stockholders. The authorized but unissued shares of common stock would be available for issuance from time to time for such purposes and for such consideration as the Board of Directors may determine to be appropriate without further action by the stockholders, except for those instances in which applicable law or stock exchange rules require stockholder approval. The additional shares of authorized common stock, when issued, would have the same rights and privileges as the shares of common stock currently issued and outstanding.

Pursuant to the current proposal, the last sentence of the first paragraph of Article Fourth of the Certificate of Incorporation would be amended and restated in its entirety. This article currently provides that:

The total number of shares of Common Stock authorized to be issued is 20,000,000 and each such shares will have a par value of ten cents (\$.10).

As amended and restated, the last sentence of the first paragraph of Article Fourth of the Certificate of Incorporation is proposed to read as follows:

The total number of shares of Common Stock authorized to be issued is 60,000,000 and each such shares will have a par value of ten cents (\$.10).

Purposes of the Amendment

The primary purpose of the Amendment is to provide enough additional authorized shares so that the Company can conduct a three to one forward split of outstanding common stock which will be effected in the form of a stock dividend in which stockholders on the record date for the stock dividend will receive two additional shares of common stock for each share they hold on such date (the "Stock Dividend.") In accordance with the Company's Certificate of Incorporation and By-laws a stockholder vote is not required for the Stock Dividend. Other purposes for which additional shares of common stock which may be used by us include: (i) to increase the number of shares available to holders of convertible debt, to holders of convertible preferred stock, options and warrants granted prior to or after the date hereof, (ii) to establish additional employee compensation plans or to increase the shares available under current plans, (iii) for issuance in connection with future financing activities of the Company, including public and private offerings of the common stock or upon conversion of other equity or debt securities, (iv) for issuance in connection with future corporate acquisitions, or (v) other corporate purposes.

Upon the effective date of the Amendment, we will have approximately 48,528,592 shares of common stock authorized and available for future issuance. If the proposed Amendment of the Certificate of Incorporation is approved, the Board of Directors plans to approve and set a record for the Stock Dividend. Other than the Stock Dividend or as permitted or required under our existing contractual obligations and outstanding options, the Board of Directors has no immediate plans, understandings, agreements or commitments to issue additional shares of common stock for any purposes.

The Board of Directors believes that the increase in the number of authorized shares of common stock will make a sufficient number of shares available, should we decide to use our shares for one or more of such previously mentioned purposes or otherwise. We reserve the right to seek a further increase in authorized shares from time to time in the future as considered appropriate by the Board of Directors.

Other Potential Effects of the Amendment

Upon filing the Amendment, the Board of Directors may cause the issuance of additional shares of common stock without further vote of our stockholders, except as provided under the Delaware General Corporation Law (or any national securities exchange on which shares of our common stock are then listed or traded). Under our Certificate of Incorporation, our stockholders do not have preemptive rights to subscribe to additional securities which may be issued by the Company, which means that current stockholders do not have a prior right to purchase any new issue of our capital stock in order to maintain their proportionate ownership of common stock. In addition, if the Board of Directors elects to issue additional shares of common stock, such issuance could have a dilutive effect on the earnings per share, voting power and holdings of current stockholders.

In addition to the corporate purposes discussed above, the Amendment could, under certain circumstances, have an anti-takeover effect, although this is not the intent of the Board of Directors. For example, the existence of authorized but unissued shares of common stock could render more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Board Recommendation

The Board of Directors unanimously recommends that stockholders vote FOR the adoption of the amendment to the Certificate of Incorporation to increase the number of authorized shares of our common stock from 20 million to 60 million. The affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the Special Meeting will be necessary for the approval of such amendment.

AUTHORIZED COMMON STOCK, AS APPROVED BY THE BOARD OF DIRECTORS
ON OCTOBER 10, 2009**

RESOLVED, that, subject to stockholder approval at a special meeting of stockholders of the Corporation, the last sentences of the first paragraph of Article 4 shall be deleted in its entirety and inserting in their place shall be the following:
