

# Xchanging offers may not be over

Dec 10 2015, 04:29 ET | By: [Yoel Minkoff](#), SA News Editor 

Insurance software company Ebix (NASDAQ:[EBIX](#)) is still [interested](#) in making an offer for Xchanging ([OTC:XCNGF](#)), a day after Computer Sciences (NYSE:[CSC](#)) agreed to buy the British outsourcing company for about £480M.

Last month, Ebix made a £450M takeover approach for Xchanging, which offers services ranging from back-office invoice processing to insurance claims settlement.
