Editor's note: In a previous version of this article, EBIX's recent stock split was not factored in. The Fool regrets the error.

As fundamentals-focused long-term investors, Fools never base an investment decision on the daily gyrations of the market. But the market's daily price movements can be useful when looking for new stock ideas for further research, or to keep tabs on watch-list stocks.

Below you'll find today's biggest movers among our five-star stocks -- the highest rating awarded by our CAPS community of more than 145,000 investors. Have a look, and then visit us on <u>CAPS</u> to dig in further on each of them.
