DISCLAIMER

This Investor Presentation has been prepared by Ebix, Inc. ("Ebix") for investors, solely for informational purposes.

The information contained herein has been prepared to assist prospective investors in making their own evaluation of the Company and does not purport to be all-inclusive or to contain all of the information a prospective or existing investor may desire. In all cases, interested parties should conduct their own investigation and analysis of the Company and the data set forth in this information. Ebix makes no representation or warranty as to the accuracy or completeness of this information and shall not have any liability for any representations (expressed or implied) regarding information contained in, or for any omissions from, this information or any other written or oral communications transmitted to the recipient in the course of its evaluation of the Company.

This Information includes certain statements and estimates provided by the Company with respect to the projected future performance of the Company. Such statements, estimates and projections reflect various assumptions by management concerning possible anticipated results, which assumptions may or may not be correct. No representations are made as to the accuracy of such statements, estimates or projections. Prospective investors will be expected to have conducted their own due diligence investigation regarding these and all other matters pertinent to investment in the Company.

This presentation may contain statements that are not historical facts, referred to as “forward looking statements.” The corporation’s actual future results may differ materially from those suggested by such statements, depending on various factors including those described in filings made with the SEC.

EBIX MISSION

EBIX GOAL IS TO BE THE LARGEST FINTECH COMPANY IN THE WORLD THAT CAN CONVERGE ALL INSURANCE AND FINANCE SERVICES

CONVERGENCE

Ebix's goal is to be the leading powerhouse of insurance and financial transactions in the world. The Company's technology vision is to focus on the convergence of all channels, processes and entities in a manner such that data seamlessly flows once a data entry has initially been made. Ebix strives to work collaboratively with clients to develop innovative technology strategies and solutions that address specific business challenges and requirements. Ebix combines the newest technologies with its capabilities in consulting, systems design and integration, IT and business process outsourcing, applications software, and web and application hosting to meet the individual needs of organizations.

The company's technology vision is to focus on convergence of all insurance and financial exchange channels, processes and entities for seamless data flow. The company intends to do that by designing products and services that are pioneering in its field. The company believes that profitability and revenue growth must go hand in hand.

With no competitors who can match the completeness of its vision or its distinct advantages, Ebix is ideally positioned to seize an enormous market opportunity. Cited by numerous third parties for the high quality of its offerings, Ebix has built an outstanding reputation amongst a large, impressive customer base. With a strong recurring Software as a Service (SaaS) model, Ebix is positioned to be a leading global FinTech player.

The company has been featured on Fortune Magazine’s 100 Fastest Growing Company List 5 times in the last decade. Ebix also has history of producing 19 years of both top line and bottom line sequential growth. Under the present management, Ebix stock has shown shareholder return of more than 16,000% growth in terms of stock value.
ABOUT EBIX

Founded in 1976, Ebix, Inc. is listed on the NASDAQ Global Market and is a part of the Russell 2000 Index and Standard & Poor’s Smallcap 600 Index. Headquartered in Johns Creek, Georgia, Ebix has 50+ offices across the world in countries like Australia, Brazil, New Zealand, Singapore, Canada, U.K. and India. Through its various SaaS based software platforms, Ebix employs 7,800+ professionals providing products, support and consultancy to thousands of customers on six continents across 69+ countries.

### Ebix Summary

- **Market capitalization of approximately $700 Million and 7,800+ employees globally, working across 50+ offices**

- **EbixCash’s inward remittance business in India conducts approximately $5 billion gross annual remittance business, confirming its undisputed leadership position in India**
SUMMARY HIGHLIGHTS

1. Industry Leadership Opportunity by Leveraging Ebix’s Strong Market Presence.

The insurance and finance IT market is a highly fragmented multi-billion dollar industry. Ebix’s innovative exchange strategy and its global reach positions it as a possible leader in the worldwide insurance and financial exchange markets.

Consistency of Performance.

SUMMARY HIGHLIGHTS

UNIQUE DIFFERENTIATION ENHANCES EBIX’S LEADERSHIP OPPORTUNITY

Ebix’s exchanges power transactions between hundreds of thousands of brokers and insurance companies.

Ebix runs over 22 million compliant life policy illustrations and over 40 million life insurance quotes annually. Ebix’s annuity exchange powers in excess of $60 billion in premiums annually in the United States. Ebix Exchange in Australia powers the majority of the electronic property & casualty insurance transactions. Ebix’s On-Demand CRM solution is used by 125,000 plus users in the United States alone. With the aggregation of a large community of insurance companies and brokers on its exchanges, Ebix is seen as a vehicle to insurance markets by these entities. Companies not using Ebix exchanges risk losing access to the aggregated markets that Ebix could offer them access to.

Ebix provides a multi-national broker or carrier a common code base world-wide, unlike any other software player in the insurance industry that addresses these markets.

Ebix systems are multi-lingual and multi-currency (French, Portuguese, Spanish, Japanese, Chinese and English).

EbixCash is the new ‘Financial Services’ arm of Ebix that originated in India

EbixCash is a phygital platform comprising of digital channels as well as physical network of more than 320,000 agent outlets across 5500 cities, handling GMV of more than $12.5bn annually across payments, forex, travel, remittance, lending & wealth management, ELearning and travel solutions.

With fully owned offshore facilities in India, Ebix has the ability to reduce the cost structure of acquired companies and increase their efficiency.

Ebix’s centers in India have Carnegie Mellon’s highest CMMI Level 5 rating, and provide quality operations to its customers.

Experienced Executive Management Team with Domain Expertise and Industry Recognition.

Ebix’s team includes subject matter and domain experts with a deep understanding of the insurance and finance industries, spanning hundreds of years of collective experience. Its infrastructure and experienced executive management team is highly capable of sustaining its leadership and growing Ebix into the future.
